

I stumbled across this adorable boutique with these great Jewish designs for modern toddlers. I'm not Jewish but I know there's got to be a bunch of Jewish moms in our audience. The Jewish collection of onesies on the market, Oy Vey! not so good. That was my best attempt at being Jewish.

Awesomely enough, Mod Tod is not just for the Jewish kids. They have other way cute designs on 100% cotton long sleeve t-shirts. Great for fall! Support this new boutique by purchasing [here](#). Chose from sizes ranging from newborn to 4T. Made in the USA.

Test baby sniffing the flowers

Erin - I'm so in love with Mod Tod. No really, I am. I was extremely impressed with the high quality of cotton used. It's thick, yet it breathes, zero shrinkage after a wash and fits true to size. She has a little room to grow, yet it doesn't have that "too big" look to it. Aaaah, perfection! If all that wasn't enough, I can't tell you how excited I was to see the "peace. love. chicago." tee. Chicago is our hometown and even though we love our "new" home, our roots will always be in Sweet Home Chicago. So cute to be able to show a little hometown pride with a great item. My new favorite go-to long sleeve tee for her!
